18th February 2011

Dear Parent

I am very pleased to be able to inform you that the Governing Body has asked Mrs Kim Price to become our permanent and full time headteacher and that she has accepted the offer.

This offer came as a result of a thorough evaluation of Mrs Price's time at the school as Acting Headteacher as well as a full and comprehensive interview which was conducted by our Appointments Panel last Tuesday.

The Governing Body has been well supported throughout this whole process by our advisors in the both the Local Authority and the Diocese and they totally endorse our decision.

We are delighted that the school now has continuity of leadership and Mrs Price's contractual appointment as permanent headteacher will take effect at the beginning of next term but in all practical respects it is effective immediately.

I add the following as a footnote:

as part of her assessment Mrs Price undertook to hold a whole school Assembly in Dinton Church. It was the first to be held there and I am sure you will be pleased to hear that it was a huge success with both Infant and Junior children coming together and conducting themselves impeccably. It was so impressive that it drew unsolicited high praise from both of our external assessors!

Yours sincerely,

Chris Blumer
Chairman of Governors
